I think he also wants to understand a bit about our actual governance process. (Which may just be different language for what you describe!) Russ

Russ,

I'm in Athens from this Saturday through next Saturday (the 15<sup>th</sup> through the 22<sup>nd</sup>).

Other than that I can be available—just let me know.

Steve

P.S. In terms of the process, it's pretty simple: People who are poorly informed get very agitated, call each other names on listserves, and then eventually there's a vote. Am I missing something??

Steve,

Bruce Crowe is wondering what our availability (and maybe Norman as well) is over the next 2 to 3 weeks to brief him on how APA handles, over time, controversial issues such as the one the Surgeon General will be addressing. What's your schedule over the next few weeks? Russ
